### **Uniform.....**

If you require uniform please contact Julie on 01865 321997 or [juliealder@btopenworld.com](mailto:juliealder@btopenworld.com)

Please remember she works and also looks after Jack whilst Amanda is teaching, so if she doesn't answer straight away please be patient she will get back to you as soon as she can!

### **Payment...**

An email will be sent out shortly with the link to confirm your classes. Please use your email and unique pin to log in, then check your inbox for your invoice.

Payment is required **by week 2 of term** preferably via bank transfer or cash. If payment is not received by week 2 a 5% late fee will be added to your invoice. If the class you are down for is no longer convenient please do let Amanda know and she can try to rearrange. Please remember half a terms notice is still required for stopping classes.

### **Venues...**

Just a small request to please respect each venue we use by not touching things that don't belong to us, taking home rubbish or putting it in the bins provided and clearing up any spillages/mess.

Please also remember that waiting areas are not playgrounds and all children should be supervised at all times.

Thanks for your co-operation.
